PROFILE OVERVIEW

Maxwell was called to the Bar in 2019 and became a tenant at 7 Harrington Street Chambers following successful completion of his pupillage under the supervision of Emma Fisher.

Before coming to the Bar, Maxwell worked as a county court advocate for LPC Law. During this time, Maxwell undertook a wide variety of County Court hearings including small claims, mortgage possession, bankruptcy, infant settlement and return of goods. Whilst studying for his Master of Laws, Maxwell won the National Medical Law moot. This saw him compete in many rounds against 21 other Universities in a clinical negligence case.

Maxwell is developing a broad and busy practice across Chambers' specialisms with a strong focus on Criminal and Civil Law.

Education

- Law, LLB (Hons) – University of Chester (2:1)

Civil

Maxwell has extensive civil law experience and has undertaken small claims, fast track, and multi-track trials.

Despite his junior call, Maxwell has developed a very busy practice. He is approachable and user-friendly and this has no doubt assisted in his undertaking work normally reserved for those far beyond his call.

Maxwell understands and appreciates the particular needs and demands of personal injury clients and always endeavours to turn around his paperwork in a short period of time. Where a case has particular urgency, he is able and willing to expedite even further the completion of papers.

Maxwell accepts instructions to advise, draft pleadings and represent clients in relation to a broad range of civil matters.
